

## V-10

Store, manage and view life memories in high resolution with FotoVivo: a 7" easy-to-use digital photo frame.

With a 7" active matrix LCD, the V-10 displays vivid photo images at the size equivalent of a typical 4 x 6 inch print. The buttonless, user-friendly Touchable Frame™ makes browsing, rotating and managing photo files fast and easy. A 128MB storage capacity and built-in USB port enable a quick transfer of photos from other digital devices. The aesthetically appealing design and sophisticated viewing modes make the V-10 the perfect digital photo frame for both home and professional environments.
